- 4-4-1-2 The written grievance must first be presented to the grievant's appropriate supervisor or designee.
- 4-4-1-3 The above condition(s) does not prevent the grievant from first discussing the issue with the immediate supervisor with the objective of resolving the issue informally, in accordance with section 4-3. (Mod. 1999)
- 4-4-1-4 Within fifteen (15) days after the receipt of a grievance, the appropriate supervisor or designee will meet with the grievant.

- 4-4-4-4 The arbitrator's decision will be final and binding on all parties to this Agreement and will be in accordance with the terms and conditions of this Agreement.
- 4-4-4-5 Unless such rules are in conflict with this Agreement or any provision of NRS 288, the arbitrator and the arbitration proceedings will be governed by the labor arbitration rules of the American Arbitration Association (AAA).
- 4-4-4-6 The expenses of arbitration proceedings will be shared equally by the District and the grievant.

- 4-5-3 The parties agree to arbitrate the dispute within sixty (60) days after the demand for arbitration has been submitted. The parties shall promptly appoint an arbitrator from the panel by submitting a calendar of available dates to the arbitrators on the panel using the following method:
 - 4-5-3-1 After selection of the panel and when the need for an arbitrator first arises, the parties shall commence the appointment process starting at the top of the alphabetical list. Each time the need for an arbitrator arises thereafter, the parties shall utilize the alphabetical list and commence the appointment process with the arbitrator following the last arbitrator appointed. (Adopted 2003)
 - 4-5-3-2 If the next arbitrator on the alphabetical list cannot hear the dispute within sixty (60) days, the parties shall contact the next arbitrator on the alphabetical list until one is selected who is able to serve within sixty (60) days. (Adopted 2003)
- 4-5-4 At the conclusion of each school year, each party shall be entitled to strike one arbitrator from the panel. Any such strike will not divest an arbitrator from jurisdiction over a matter already appointed. Stricken arbitrators will be replaced by striking from a list of seven arbitrators provided by the AAA, with the Association striking first. (Adopted 2003)

- 4-6-7 All expenses incurred by either party in the preparation or presentation of its case are to be borne solely by the party incurring such expenses.
- 4-6-8 Failure on the part of a grievant to meet any timelines herein will constitute a waiver to carry a grievance beyond the level of the Board. Missing timelines twice dismisses the grievance. A missed timeline may only be extended beyond the contractual timeline by fifty (50%) percent. Failure on the part of the District to meet any timelines herein will give the grievant the right to pursue the grievance at the next level within ten (10) days. (Mod. 1999)

Employees must have been employed by the District for at least two (2) consecutive years to be eligible to apply for a one (1) year leave of absence. The provisions of Article XI – Reduction in Force shall be followed should a RIF occur while an employee is on leave. (Mod. 2013)
- 8-4-3 In the event of a family emergency not covered by any other Article of this negotiated Agreement, an employee may request, in writing, leave without pay for less than one (1) month. It shall be up to the discretion of the Superintendent to allow the temporary leave without pay. (Adopted 2001)

8-5 Personal Leave

The District will provide up to two (2) days of paid personal leave annually to be used each year for personal business by employees who are assigned a work schedule of less than twelve (12) months per year. For the purposes of this paragraph, a day is the number of hours an employee regularly works in a day. Leave shall be taken in increments of either one or one-half of the employee's regularly scheduled work day. Such leave may not be accrued from year to year. Except in case of emergency, such leave shall be requested in writing of the immediate supervisor at least two (2) work days in advance. If personal days are not available, two (2) sick days may be traded for one (1) personal day with advanced notice and approval from the immediate supervisor. There will be no reimbursement for the personal day bought, but not used pursuant to 8-5-2. (Amended 2009)

8-6 Bereavement Leave

Paid leave will be allowed for three (3) days for absence due to death in the immediate family of the employee, one of which maybe used outside of the immediate family. Up to three (3) additional days of leave may be used and charged against available sick leave when reasonable advance notice is made to the employee's immediate supervisor. (Mod. 2007)

8-7 Court Leave

The District will allow employees leave with full pay for court duty required of the employee by law, such as jury duty or serving as a witness in a legal proceeding to which the employee is not a party. Any jury pay received by the employee shall be turned in to the District office. Employees are not required to reimburse the District for mileage or meal allotments paid by the court. (Mod. 1995)

ARTICLE IX - COMPENSATION

9-1 Salary Schedule

- 9-1-1 For the fiscal year commencing July 1, 2013 through June 30, 2015, employees will be paid according to the salary schedule shown in Appendix A. In lieu of a salary decrease of 1% for PERS contribution, the District will offset with a salary increase of the 1%, in addition to a 1% base increase for each school year of 2013-14 and 2014-15. (Amended 2013)

Every classified staff employee who has reached Step 15 will be paid an additional \$300 per year, including PERS contributions, for each year of Step 16, Step 17, Step 18, and Step 19; every classified staff employee who has reached Step 21+ will be paid an additional \$500 per year, including PERS contributions. (Amended 2013)

(remaining) The Secretary category will be divided into two (2) tiers, Tier 1 the same as the current Secretary category) and Tier 2 requires an educational level of 48 semester hours of credit from an accredited college or university; obtains an associate's degree or higher from an accredited college or university; or passes a Secretarial aptitude assessment/examination. The Secretary 2 category will be compensated at the Instructional Aide Specialist level as identified by the District with notification to the Organization. Advancements to the Secretary 2 level must meet the criteria on or before September 1st of the fiscal year. (Amended 2011)

Employees will be given the option of being paid once a month or twice a month. Yearly employees will choose the option in June or upon hire. Other employees will choose an option in August or upon hire. (Mod. 2001)

- 9-1-2 Those persons employed by the District on the effective date of this Agreement will receive pay increases based upon the salary schedule set forth in Appendix A, retroactive to July 1, 2003. (Mod. 2003)
- 9-1-3 The Superintendent may authorize advanced step appointments on the salary for new hires and current employees providing that:
- a) qualifications or experience indicate that the applicant will perform at a level commensurate with the advanced step based upon the job description for that job category, and
 - b) based upon the applicant's current or most recent salary, an advanced step appointment is required for the applicant to accept the position.

Current employees moving to a higher paid job category shall, at a minimum, be placed at the step in the new salary range which is nearest to, but not less than, the employee's current rate of pay. (Mod. 1995)

9-1-4 An employee who has worked or has been on paid leave for at least one-half (1/2) of the scheduled work days for his/her position during the previous twelve (12) months shall be eligible for a step increase effective July 1st for the years in which step increase eligibility is allowed on the salary table for his/her job classification. Only the time worked in the classification to which the employee is assigned at the end of the year shall be considered in determining eligibility for a step increase, and the increase shall be granted only when the employee continues to be employed in the same job class during the following year. The new rate of pay shall be effective for time worked on or after July 1st. (Mod. 1997)

9-2 Overtime and Compensation Time

9-2-1 Employees who work more than eight (8) hours in a day during a five (5) day work week or who work more than ten (10) hours a day during a four (4) day work week or more than forty (40) hours in a work week will be paid at the rate of one and one-half times (1½) their regular hourly rate. (Mod. 2009)

9-2-2 Twelve (12) month-employees may opt to take compensation time, which shall be credited the same as overtime, during the summer months instead of being paid for the overtime earned during the school year.

9-2-3 Twelve (12) month-employees accepting compensatory time will indicate acceptance on a form provided by the District, listing the terms and conditions for the utilization of compensatory time, which will be in accordance with this Agreement.

9-2-4 Use of compensatory time by employees must be requested from the appropriate administrator at least five (5) days in advance and may be denied in order to maintain staffing levels. The use of compensatory time will not be unreasonably denied. Compensatory time may be utilized in increments of one (1) day or one-half (1/2) day, unless otherwise authorized by the appropriate administrator. (Amended 2009)

9-2-5 Not more than eighty (80) hours of compensatory time in lieu of overtime compensation in any one (1) school year may be credited to any employee. (Amended 2009)

9-3 Health Insurance

9-3-1 The District will pay a premium not to exceed \$678.30 per month for employees only for medical, dental, life, and vision insurance. A chart of health benefits is attached as Appendix B. (Mod. 2013)

9-3-2 In the event a change in premium is announced by the insurer which causes the premium to exceed \$678.30 per month, the District and the PCCSO will enter into negotiations and make an effort to maintain insurance benefits in the future as in the past. (Mod. 2013)

9-4 PERS

The District shall continue membership for eligible employees in the PERS program.

9-5 Highly-Qualified Paraprofessional

9-5-1 For paraprofessionals who must qualify for “highly-qualified” status by 2006, an employee may apply for Title IIa funds to assist with costs associated with fees and tuition, dependent on availability of funds. (Adopted 2003)

9-5-2 If the position calls for “highly-qualified” status and the employee meets “highly-qualified” criteria, the employee will be placed in the Instructional Aide Specialist category. (Adopted 2003)

ARTICLE X - PERFORMANCE REVIEWS

10-1 Formal Performance Reviews

Formal performance review sessions are to be conducted as one part of the continuing communication between employee and supervisor. Each supervisor shall conduct a formal performance review of each employee at least once during any twelve (12) month period.

10-2 Written Record

A written record of a formal review will be made by the supervisor on a performance review form. The performance review form will be developed by the District with input from a committee of employees appointed by the PCSSO, supervisors, and administrative staff. Forms may be developed separately for each job category. A completed form, along with any written comments submitted by the employee, shall be placed in the employee's personnel file following each performance review.

10-3 Personnel Actions Resulting From Performance Reviews

Disciplinary action resulting from a performance review shall be guided by the steps of progressive discipline and follow just cause guidelines. The employee shall be notified if disciplinary action is anticipated based on the performance review and shall be afforded the right to have an Organization representative present at the performance review meeting.

10-4 Frequency of Formal Performance Reviews

10-4-1 Formal performance reviews will be conducted at least annually, at the midpoint of a probationary period, and thirty (30) days before the end of a probationary period.

10-4-2 In addition, supervisors may conduct formal reviews at the following times:

10-4-2-1 At the end of the first year in any position;

10-4-2-2 Six months following transfer to a new position within the same class;

10-4-2-3 When there is a significant change (either improvement or deterioration) in performance;

10-4-2-4 Within three (3) months following a finding that the employee's performance needs substantial improvement (frequent, on-going meetings with the supervisor are encouraged).

10-5 Review of Performance Review Findings

10-5-1 *Employee Comments.* The employee reviewed will be provided a copy of the finalized performance review form. The employee will sign the form and, at the employee's option, provide any written comments regarding the performance review. All written comments provided by the employee will become a part of the performance review document.

ARTICLE XI - REDUCTION IN FORCE

- 11-1 The District shall initiate reduction in force, without negotiations, when it is necessary due to lack of funding or District reorganization. The District will provide such decisions and appropriate notification(s) in writing to the affected parties, the employee(s), and the Organization at least sixty (60) calendar days prior to the upcoming school year. The Organization will be given the opportunity to confer regarding proposed reductions prior to effectuation. (Amended 2009)
- 11-2 Prior to the implementation of a reduction in force pursuant to section 11-1, the District will provide the opportunity for employees to voluntarily be reduced in force under the terms of this Article.
- 11-3 Any additional employee reductions in force will be accomplished in accordance with the procedures hereinafter set forth.
- 11-4 Seniority
- 11-4-1 Seniority with the District will determine the order in which the employees will be reduced; provided, however, that no employee qualified to work in a particular position will be replaced by another employee not qualified for such position. Seniority for employment in the programs at the State Correctional Center shall be computed and maintained separately from regular seniority. (Mod. 2003)
- 11-4-2 *Computation of Seniority*
- 11-4-2-1 Seniority will be computed for both the total number of years, or fractions thereof, that an employee has been employed in his/her current job category. In the event two employees have an equal number of years in his/her current job category, the total number of years, or fraction thereof, which the employees have worked as support personnel for the District, will be the deciding factor. In the event that two or more employees have the same seniority qualifications and satisfactory performance reviews, the final tiebreaker shall be determined by the drawing of lots. A designee of the District and the PCSSO President or designee shall be present when lots are drawn. (Mod. 2003)
- 11-4-2-2 Any Instructional Aide who must move because of "highly-qualified" paraprofessional status to Instructional Aide Specialist will retain his/her seniority status. (Adopted 2003)
- 11-4-2-3 In the case of an employee who has terminated and subsequently been rehired, seniority will be computed from the date of rehire only.
- 11-4-2-4 An employee with a work year of less than twelve (12) months shall not be considered to have suffered a break in service during the months which are not included within the employee's work year.

- 11-4-2-5 The District will prepare updated employee seniority lists annually on or before October 15th of each work year. The District will prepare an updated list(s) before February 15th in the event any condition changes the seniority list previously prepared. The District will attempt to comply with any request by the Organization to supply an updated seniority list when necessary.
- 11-5 An employee laid off due to reduction in force will be considered on unpaid leave of absence equivalent to that employee's work year from the date of layoff. Each employee on unpaid leave of absence due to reduction in force will have the right to reinstatement in the reverse order in which they were laid off at such time as there are openings for which the employee(s) is qualified. (Mod. 2001)
- 11-6 Laid off employees may be considered for any substitute position which becomes available.
- 11-7 Recall
- 11-7-1 A RIF'd employee retains the right to be recalled for a period of time equivalent to that employee's work year from the date of layoff. After that, the employee loses all seniority and recall rights. (Adopted 2001)
- 11-7-2 When support staff vacancies occur during a time while any employee(s) is on unpaid leave of absence due to reduction in force, the District will notify all employees who may be qualified to fill that vacancy of the existence of that vacancy. The Organization may request a written account of such notification.
- 11-7-3 11-7-3 A recalled employee shall have a five (5) business day period after receipt of the notice within which to accept and report for reemployment by giving written notice to the District. Failure to accept such reemployment within five (5) business days shall be conclusive evidence of rejection. If the notice is undeliverable at the employee's last known address, the employee's right to give the District notice of acceptance shall lapse ten (10) business days following mailing of the notice. Such mailing shall be certified with return receipt requested. (Mod. 2003)
- 11-7-4 11-7-4 An employee recalled from an unpaid leave of absence due to reduction in force will retain all previously earned benefits including leaves, salary, and seniority.
- 11-8 No employee will suffer a loss of pay when they are involuntarily transferred into another position for which they are qualified. If there is a lessening of pay for the step that they are transferred to then they would receive their current rate of pay until which time they can move steps on the salary schedule. (A2005)

- 11-9 Voluntary transfers will be considered with all other applicants for vacancies on the basis of experience, qualifications and satisfactory performance reviews. When the qualifications of the applicants are the same, the current employee with the greater seniority will be given first consideration.
- 11-10 Involuntary transfer, if made, will occur after all transfers eligible under this Article have been made. If an involuntary transfer does occur, the employee shall suffer no loss of salary or benefits. All accrued benefits will transfer with the employee.

ARTICLE XII - DUES DEDUCTION

- 12-1 The District agrees to deduct from the salaries of its employees, political contributions and dues for PCSO, NSEA and NEA, by monthly deduction in one sum as the employees individually authorize the District to deduct and to transmit the moneys promptly to the Nevada State Education Association. Employee's authorization will be in writing on forms prepared and provided by the Organization. (Mod. 1997)
- 12-2 The Organization will certify to the District in writing the current rate of membership dues. The District will be notified of any changes in the amount to be deducted on or before September 10th of each school year. Further changes in the rates can be made during the school year. Written employee authorization of the rate changes must be submitted to the District office on or before the 10th of the month preceding the month in which it is to become effective.
- 12-3 Deductions referred to in section 12-1 above will be made in nine (9) or ten (10) equal monthly installments beginning in September. The District will not be required to honor for any month's deduction any authorizations that are delivered to it later than the tenth of the preceding month.
- 12-4 Any employee desiring to have the District discontinue the deductions s/he has previously authorized must notify the District and the Organization in writing between July 1st and July 15th of each year for that year's dues.

ARTICLE XIII - DISCHARGE AND DISCIPLINARY PROCEDURES

- 13-1 After a six (6) month probationary period, which begins at the date of hire, no employee will be discharged, disciplined, suspended, or demoted without just cause.
- 13-2 The District agrees to be guided by the principle of progressive discipline which may include use of verbal and written reprimands, suspensions, demotions, and discharge. Progressive discipline does not require discipline at each level in the progression but rather allows the District to apply the step appropriate for the nature of the offense. The District may apply any level of discipline appropriate based upon the employee's actions. Nothing in this Article shall be considered to restrict the right of the District to communicate with employees regarding job performance and on-the-job behavior. (Mod. 1999)
- 13-3 An employee shall be entitled to have a representative present during any meeting with the District which the employee has reasonable cause to believe will result in disciplinary action.

ARTICLE XIV - GENERAL SAVINGS

It is not the intent of either party hereto to violate any laws of the State of Nevada or of the United States. The parties agree that in the event any provision of the Agreement is held by a court of competent jurisdiction to be in contravention of any such laws, they will enter into negotiations within a reasonable length of time from the date of knowledge of such contravention to negotiate such provisions to comply with the law or any changes in the Nevada Revised Statutes which are in contravention to the provisions of this Agreement. The remainder of the Agreement will remain in full force and effect.

ARTICLE XV - NO STRIKE CLAUSE

The Organization agrees that it will not strike against the District nor threaten to strike against the District.

ARTICLE XVI - TERM OF AGREEMENT

- 16-1 When ratified as hereinafter set forth, this Agreement will be effective from the date of ratification and will remain in full force and effect until June 30, 2015. In the event of a significant financial change to the District during this period, the Organization may reopen negotiations on financial matters. (Amended 2013)
- 16-2 This Agreement will be binding upon either party when ratified by the Board of Trustees and the Organization. This Agreement is signed this 19th day of August, 2013.
